“

**Did I want to
be Clyde that
has Parkinson's
or Clyde that
did something
about having
Parkinson's? ”**

“

The answer is truly in all of us, working together.

International collaboration is essential for speeding a cure for the 5 million Parkinson's patients worldwide. ”

Michael J. Fox

“

**The cures we
want aren't
going to fall from
the sky. We have
to get ladders
and climb. ”**
