NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report was authorised for issue by the trustees on 7 March 2014.

Basis of Preparation

The financial report is for Shake It Up Australia Limited as a trustee for the Shake It Up Australia Foundation. The trustee is a company limited by guarantee which is incorporated and domiciled in Australia.

Shake It Up Australia Foundation Trust has elected to early adopt the Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements. Accordingly, the Trust has also early adopted AASB 2011-2: Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project-Reduced Disclosure Requirements and AASB 2012-7: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements in respect of AASB 2010-6: Amendments to Australian Accounting Standards - Disclosures on Transfers of Financial Assets and AASB 2011-9: Amendments to Australian Accounting Standards - Presentation of Items of Other Comprehensive Income.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board. The Foundation is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

a) Income Tax

The foundation is a not-for-profit entity and does not apply the principles of tax effect accounting as the trustees believe the resultant asset and liability recognised upon adoption will never be capable of realisation in the ordinary course of operations, due to the Foundation's exemption from income tax.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

b) Revenue Recognition

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest rate method.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the goods and services tax (GST).

c) Employee Benefits

Wages and salaries, sick leave and annual leave

Liabilities for wages and salaries, including non-monetary benefits, sick leave and annual leave expected to be settled within 12 months of the end of the reporting period are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid at the end of the reporting period including related on-costs, such as workers compensation insurance and payroll tax. Annual leave not expected to be taken by employees within twelve months after balance date is discounted to its present value where material and is also disclosed as a current liability.

Non-Vesting Sick Leave

The Foundation has not made provision for non-vesting sick leave as the directors believe it is not probable that payment will be required.

Contributions to Superannuation Plans

Contributions to employee superannuation plans are charged as an expense as the contributions are paid and become payable.

Long service leave

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. Consideration is given to expected future wage and salary levels including related on-costs, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

d) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). Currently, the Foundation has elected not to charge GST on all of its donations and thus is not entitled to claim any GST on any of its expenses.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

e) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts that are repayable on demand and form an integral part of the Foundation's cash management.

f) Trade and Other Payables

Accounts payable represent goods and services provided to the Foundation prior to balance date. The accounts are unsecured and are usually settled on the creditors trading terms. Payables to related parties are carried at cost.

g) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year. The previous period comparatives are for the first year of operations for the Foundation commencing 29 June 2011 and ending 30 June 2012.
