

PAUSE 4 PARKINSON'S

There are over 100,000 Australian's living with Parkinson's Disease.

38 AUSTRALIANS are diagnosed every day.

10% of those diagnosed are UNDER 40 YEARS OLD, 20% are under 50.

Our partnership with the MICHAEL J. FOX FOUNDATION means that the research we fund is strategic and internationally competitive.

Since 2011 Shake It Up has co-funded over \$10.5M to Australian Parkinson's research.

Our founders cover all of our administration costs so **100% OF YOUR CONTRIBUTION** goes to research.
