In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Our audit did not involve an analysis of the prudence of business decisions made by the directors or management.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report was authorised for issue by the trustees on 25th November 2015.

Basis of Preparation

The financial report is for Shake It Up Australia Limited as a trustee for the Shake It Up Australia Foundation Trust. The trustee is a company limited by guarantee which is incorporated and domiciled in Australia.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, the Charitable Fundraising Act 1991, the Australian Charities and Not-for-profits Commission Act 2012 and the Australian Charities and Not-for-profits Commission Regulation 2013. The trust is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

a) Income Tax

The trust is a not-for-profit entity and does not apply the principles of tax effect accounting as the trustees believe the resultant asset and liability recognised upon adoption will never be capable of realisation in the ordinary course of operations, due to the trust's exemption from income tax.

b) Revenue Recognition

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest rate method.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the goods and services tax (GST).

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

c) Employee Benefits

Short-term employee benefits

Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The trust's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The trust classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the trust's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The trust's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the trust does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

Non-Vesting Sick Leave

The trust has not made provision for non-vesting sick leave as the directors believe it is not probable that payment will be required.

Retirement benefit obligations

Contributions to employee superannuation plans are charged as an expense as the contributions are paid and become payable.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

d) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). Currently, the trust has elected not to charge GST on all of its donations and thus is not entitled to claim any GST on any of its expenses.

e) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts that are repayable on demand and form an integral part of the trust's cash management.

f) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the trust during the reporting period that remain unpaid at the end of the reporting period. The accounts are unsecured and are usually settled on the creditors trading terms. Payables to related parties are carried at cost.

g) Comparative Figures

When required by Australian Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current year.

h) Critical Accounting Estimates and Judgments

There are no critical accounting estimates and judgements incorporated into the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report was authorised for issue by the trustees on 25th November 2015.

Basis of Preparation

The financial report is for Shake It Up Australia Limited as a trustee for the Shake It Up Australia Charitable Trust. The trustee is a company limited by guarantee which is incorporated and domiciled in Australia.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, the *Charitable Fundraising Act 1991*, the *Australian Charities and Not-for-profits Commission Act 2012* and the *Australian Charities and Not-for-profits Commission Regulation 2013*. The Trust is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

a) Income Tax

The Trust is a not-for-profit entity and does not apply the principles of tax effect accounting as the trustees believe the resultant asset and liability recognised upon adoption will never be capable of realisation in the ordinary course of operations, due to the Trust's exemption from income tax.

b) Revenue Recognition

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest rate method.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the goods and services tax (GST).

c) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). Currently, the Trust has elected not to charge GST on all of its donations and thus is not entitled to claim any GST on any of its expenses.

d) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts that are repayable on demand and form an integral part of the Trust's cash management.

e) Critical Accounting Estimates and Judgments

There are no critical accounting estimates and judgements incorporated into the financial statements.
