SHAKE IT UP AUSTRALIA FOUNDATION: ABOUT US

Shake It Up Australia Foundation is a not-for-profit organisation established to promote and fund Parkinson's disease research in Australia. Our mission is to accelerate innovative research and treatments to slow, stop, and cure Parkinson's.

100% of every donation, including bequests, goes directly to research. Your legacy will help fund world-class, innovative research that brings us closer to a future without Parkinson's.

Leaving a gift to Parkinson's research is a lasting and meaningful way to advance treatments and a cure for Parkinson's. Not only will your gift help the 200,000 Australian's living with Parkinson's, it will also leave a lasting legacy for future generations.

FREQUENTLY ASKED QUESTIONS

Not necessarily. You can add a bequest by creating a legal amendment to your will. However, we recommend consulting a solicitor or using a trusted online platform like Gathered Here.

2

CAN I CHOOSE HOW MY GIFT IS USED?

Yes. You can direct your gift to a specific area of research or allow us to allocate it where it's needed most.

3

IS THERE A MINIMUM AMOUNT I NEED TO LEAVE?

No. Every gift, no matter the size, makes a meaningful difference.

4

IS MY BEQUEST TAX-DEDUCTIBLE?

Bequests are not subject to income tax or capital gains tax for the donor or their estate in Australia.

5

SHOULD I NOTIFY SHAKE IT UP IF I'VE INCLUDED A BEQUEST?

You're under no obligation to tell us, but we'd love the opportunity to thank you and keep you informed about the impact your future gift will make.

6

CAN I FORMALLY DOCUMENT MY BEQUEST INTENTIONS WITH SHAKE IT UP AUSTRALIA FOUNDATION?

Yes. While notifying us of your bequest is entirely optional, we encourage supporters to consider completing a Gift Agreement (Bequest Plan). This non-binding document allows you to formally record your intention to leave a gift in your will and outline any preferences you may have regarding how your gift is used or recognised.

Completing a Bequest Plan helps us:

- Understand your wishes and ensure they are honoured
- Keep you informed and engaged through our Legacy League
- Plan more effectively for future research investments

It also gives you the opportunity to nominate a next of kin or chosen family member for us to stay in contact with once your gift is realised, so we can express our gratitude and share the impact of your legacy.

If you're interested in completing a Gift Agreement, please contact us — we'd be happy to guide you through the process.
